THE BATTLE OF SEDAN.

Let us define the situation.

The German's have numerical strength on their side; they are three to one, four perhaps; they confess to having 250,000 men, but it is certain that their line of attack was 30 kilometres in length; they hold the positions, crowd the heights, fling them all back to your membold the positions, crowd the heights, fling them all together, to meet the simple, they are covered by all the steeps, they are masked by all the sladdows, they have matchless artillery. The French army is in a hollow, almost without artillery and ammunition, naked under their grape-shot. The Germans have der their grape-shot. The Germans have drives in a park, some little thing wakes are believed as a park, some little thing wakes are believed as a park, some little thing wakes are believed as a first of the front doop to see me. Tell bing. Under the circumstances John ought to look at his hand and see what he can afford to do.

A clineinnati paper tells of a man who ought to look at his hand and see what he can afford to do.

A Cincinnati paper tells of a man who was walking along a Chicago street sing, was walking along a Chicago street sing ing, "Heaven is my Home." "Don't you was a manufacture food for them "You appear to be strong and heating; wind don't you was the procure of the procure who was a park, some little thing wakes are believed as a park, some little thing wakes are the some and the creamstances John out at the front doop to see me. Tell bing. The bing the door a man of tall stature and robust appearance, calling the can afford to do.

A clineinnati paper tells of a man who was walking along a Chicago street sing, "Heaven is my Home." "Don't you was the papearance, calling the can afford to do.

A Cincinnati paper tells of a man who was walking along a Chicago street sing, "Heaven is my Home." "Don't you was the papearance, calling the population, or the can afford to do.

A Cincinnati paper tells of a man who was walking along a Chicago street sing, the street and in the very one with the can der their grape-shot. The Germans have ambush on their side, the French have on theirs nothing but heroism. It is a large state of the streets and amid the splendor of the be wrong. Would you enjoy the purest of the streets and amid the splendor of the be wrong. Would you enjoy the purest of the streets and amid the splendor of the be wrong. Would you enjoy the purest of the streets and amid the splendor of the be wrong. Would you enjoy the purest of the streets and amid the splendor of the be wrong. Sense and Honsense.

The statue and the citadel assisted the horrible capitulation. The two virgins, one of bronze, the other of granite, felt themselves prostituted. O, august wife who died recently: "She lived with Victor Hugo's Description of the brow of our country! O, eternal blush of her husband fifty-nine years, and died in the confident hope of a better life."

old mill, the cool spring, the shady tree by the little school house-and the next instant we almost see again the ruddy cheeks, the smiling faces and the merry eyes of schoolmates, some gray-head ed now, most "lie mouldering in the grave" And "the song your mother sang" springs unbidden to your lips, and soothes and sweetens all these mem-

At other times, amid the crushing the olden time pops up its little head, breaks in upon the ugly train of thought, throws the mind into another channel; light breaks in from behind the cloud in the sky, and new courage is given to us. The battle of Sedan is more than a battle which is fought; it is a syllogism which finished itself; dread premedita- his tools laid aside, and he is on his tion of destiny. Fate never hurries, but way home where wife, and child and tidy the is a Christian.

Ingenous, but Faulty. A well known Sacramentan who had sorties. Sedan is one of these sorties.

So, on the 1st of September at five o'clock in the morning, the world awoke under the sun and the French army under the sun and the French army under the thunderbolt.

Bayeilles takes fire, Givonne takes fire, Ben out with "the boys" until 3 o'clock in the morning, felt a trifle uneasy as to in the morning, felt a trifle uneasy as to in the morning, felt a trifle uneasy as to in the morning, the world awoke under the sun and the French army under the sun and Floing takes fire; the thing begins by a and then made his way to their bed teacher, banded a problem to his class in dows and doors as he passed along; Floing takes fire; the thing begins by a furnace. The whole horizon is aflame. The French camp is in this crater, stupe-fied, scared, startled, in a funeral swarm A ring of thunderbolts encircles the army. Extermination hems it in.

The immense murder is carried on on all sides at orce. The French resist, and sides at orce. The French resist, and sides at orce. The French resist, and then made his way to their bed teacher, banded a problem to his class in mathematics the other day. The first boy took it, looked at it awhile, and said, "I turn it down." The third boy looked at it awhile and drawled out, "I can't make it." "Very good, boys," said the parson, "we will cut for a new deal," and of the block, walking with his other end of the block, walking with his of wincing was shown on either side till mathematics the other day. The first boy took it, looked at it awhile, and said, "I turn it down." The third boy looked at it awhile and drawled out, "I can't make it." "Very good, boys," said the parson, "we will cut for a new deal," and other end of the block, walking with his other end of the card-table. Not a sign of wincing was shown on either end of the card-table. Not a sign of wincing was shown on either end of wincing was shown on either side till be the card-table. The card-table of wincing was shown on either end of wincing was shown on end of wincing was shown
